GEORGIA YOUTH IN CRISIS TRAINING PROGRAM

Training program developed for law enforcement, educators, mental health providers, counselors, faith leaders, and other community members who touch the lives of our youth. The training was developed to provide information to trusted adults to help them identify youth in crisis. Class participants will gain knowledge of effective tools to enable them to assist and support youth and their caregivers. Albany's youth are 100% of our future.

Let's make sure it's a healthy future!

20-hour training includes topics on:

- Understanding Adolescent Development
- Psychiatric Disorders and Treatment
- Suicidal and Non-Suicidal Self Injury
- Autism and Fetal Alcohol Syndrome
- Cyber Bullying
- GLBTQ Youth
- IDEA, IEP, and 504 Plans
- Systems Serving Youth
- Crisis Intervention and De-escalation

*Registration now open
for the following classes:*

September 11-13

November 1-3
