

A Chapter of UAPRN

Pharmacology Conference & Update 2020
February 22, 2020 7:00AM – 4:15PM
Location Host: ASU West Campus, Albany, GA

A G E N D A

- 7:00AM – 7:25AM** **REGISTRATION**
- 7:25AM – 7:40AM** **WELCOME**
Flint River Nurse Practitioner Association – Brittany Stalvey, FNP-C
- 7:45AM – 8:45AM** **SESSION 1**
Going Viral: What Every Nurse Practitioner Needs to Know About Influenza
Greg Steele, MSN, FNP, RN
- 8:45AM – 9:45AM** **SESSION 2**
Community Acquired Pneumonia: Ongoing Challenges Despite New Guidelines
Daniel Chastain, PharmD, BCIDP, AAHIVP
- 9:45AM – 10:00AM** **BREAK**
- 10:00AM – 11:00AM** **SESSION 3**
Pharmacokinetic Landscaping: Weeding Through to Identify the Most Common Drug-Drug Interactions – Sharmon Osae, PharmD, BCACP
- 11:00AM – NOON** **SESSION 4**
HIV & PREP - Mel Almond, PA-C
- NOON – 12:45PM** **LUNCH**
- 12:45PM – 1:45PM** **SESSION 5**
Improving HPV Vaccination Rates in Young Adults – Haley Reid, MSN, FNP-C
- 1:45PM – 2:45PM** **SESSION 6**
Anticoagulation and Antiplatelet Therapy As It Relates to Peripheral Artery Disease
Michelle Davis, AGACNP, MSN, BSN
- 2:45PM – 3:00PM** **BREAK**
- 3:00PM – 4:00PM** **SESSION 7**
Health Benefits of Hemp Derived Cannabinoids with a Focus on CBD Oil
Tony Singletary, PharmD, MBA, CDM
- 4:00PM – 4:15PM** **CLOSING REMARKS**

Disclosures

All planners (**D. Michelle Huskey, MS, RRT-NPS; Stacey Barnes, MSN, APRN FNP-C, Darlene Boyett, FNP; Cynthia Ragsdale, FNP-C; Amanda Roufs, MSN, CPNP-PC; Brittany Stalvey, MSN, FNP-C**) disclosed no potential conflicts of interest at this time.

All speakers disclosed no potential conflicts of interest at this time.

Commercial Support

This educational activity has not received any commercial support.

Objectives

At the end of presentation, the participant will be able to:

1. Discuss influenza vaccination development and guidelines
2. Discuss influenza diagnosis and therapies
3. Discuss the complications of influenza
4. Identify notable differences between 2019 and 2007 community acquired pneumonia guidelines
5. Determine appropriate therapy for patients presenting with CAP
6. Discuss the role of corticosteroids in the management of CAP
7. Recognize signs and symptoms of common clinically relevant drug-drug interactions
8. Identify potential or existing clinically relevant drug-drug interactions given a patient case
9. Formulate an appropriate action plan when faced with a potential drug-drug interaction given a patient case
10. Define HIV/AIDS
11. Describe treatment plans
12. Discuss PREP/PEP
13. Detail Human Papillomavirus and the associated health effects, including brief pathophysiology and statistics
14. Discuss Human Papillomavirus vaccine, including dosing schedules (initial & catch-up), current FDA and CDC guidelines for vaccination, efficacy of vaccination, side effects and contraindications
15. Discuss HPV vaccination in young adults (18-26 yr) and clinical strategies to improve HPV vaccination rates in this population to include discussion of quality improvement initiative developed and implemented at Albany Area Primary Health Care
16. Detail correctly dose anticoagulation in patients with arterial disease
17. Identify when single vs. dual antiplatelet therapy is indicated
18. Describe the basic pharmacology of THC and CBD and the effect they have on the body
19. Detail the difference between hemp that is used to produce CBD and hemp that is used to produce marijuana
20. Explain how cannabinoids such as CBD work through the human endocannabinoid system to deliver the effects of CBD
21. Discuss the starting dose and role of CBD for major health condition
22. Identify monitoring parameters potential CBD drug interactions and side effects
23. Describe the current legal and regulatory status of CBD products, specifically in the state of Georgia.

Continuing Education

Submission of registration information, attendance and completed evaluation required for nursing continuing education certificates.

Nurses: The Georgia Board of Nursing deems Southwest Georgia Area Health Education Center (SOWEGA-AHEC) as an approved provider for nursing continuing education (CE). This activity is approved for 7.0 contact hours towards the continuing education competency requirement for Georgia nursing licensure renewal. **No partial credit offered. Activity #2020-01.**

Flint River Nurse Practitioner Association deems this activity for 7.0 contact hours which includes 7.0 pharmacology hours. **No partial credit offered.**

Pharmacy: The University of Georgia College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Requirements: This knowledge-based program is approved for 7 hours of continuing pharmacy education for pharmacists. In order to receive credit, participants must attend the full session, participate in the active learning, and complete the activity evaluation. **No partial credit will be awarded. UAN: 0014-9999-20-020-L04-P**
