Student Housing COVID-19 Vaccination Attestation Policy

As of October 1, 2021, to reduce the transmission of COVID-19, the Blue Ridge, Foothills, Magnolia Coastlands, SOWEGA, and Three Rivers AHECs, each an independent 501(c)3 organization, will require all students to be fully vaccinated for COVID-19 as a condition for using AHEC housing.

Due to the nature of AHEC housing: roommates and shared bathrooms and common areas, individuals with a COVID-19 Vaccination Waiver are ineligible for AHEC housing. Please contact the AHEC associated with your student housing need to determine policies related to USG supported housing or if a travel stipend is available.

By signing the attestation statement below, you confirm and acknowledge:

- I am fully vaccinated and eligible for AHEC housing.
- I am not sending any medical records or documentation with this attestation.
- I am required to provide accurate information in response to the statement below.
- I am responsible for sending and confirming the AHEC that sent me the attestation, receives it as a condition of using AHEC housing.
- I understand that previously confirmed housing reservations may be canceled if the attestation is not received **2 weeks** before my scheduled arrival date.
- I understand the attestation statement is specific to AHEC housing and does not include University System of Georgia housing provided to AHEC.
- I understand this requirement is effective October 1, 2021.
